BEFORE THE STATE OIL AND GAS BOARD OF ALABAMA

PETITION OF SKLAR EXPLORATION COMPANY L.L.C.

DOCKET NO. 11-7-17-03

FIRST AMENDED AFFIDAVIT OF BENJAMIN Y. FORD

STATE OF ALABAMA

COUNTY OF MOBILE

Before me, the undersigned notary public in and for said county in said state, personally appeared Benjamin Y. Ford, who being by me first duly sworn, deposes and says as follows:

1. I am one of the attorneys for Sklar Exploration Company L.L.C. ("Sklar"),
Petitioner in the captioned matter.
2. I am familiar with Sklar's petition for an order approving an exceptional location for its Cedar Creek Land & Timber 35-15 No. 1 Well, to be drilled to a bottom hole location of 340 feet from the West line and 718 feet from the South line of the Southeast Quarter of Section 35, Township 4 North, Range 12 East, Conecuh County, Alabama. Sklar intends to drill the 35-15 Well to test formations down to and including the Smackover Oil Pool of the Brooklyn Field, as well as the Norphlet formation.
3. According to the records of the Oil and Gas Board of Alabama, Sklar is the operator of the Cedar Creek Land & Timber 35-11 No. 1 Well, Permit No. 16672-B, located in the Southwest Quarter of said Section 35, being the adjoining unit currently producing from the Smackover Oil Pool of the Brooklyn Field towards which the location for 35-15 Well is proposed to be moved.

Further affiant saith not.

BENJAMIN Y. FORD

SWORN to and SUBSCRIBED before me this 1st day of November, 2017.

Sworn and subscribed this 26 day of OCT, 2017.

REVISED NOTICE OF MEETING

The State Oil and Gas Board of Alabama will hold its regular hearing at 10:00 a.m. on Tuesday, November 7, 2017 and Thursday, November 9, 2017, in the Board Room of the State Oil and Gas Board, Walter B. Jones Hall, University of Alabama Campus, 420 Hackberry Lane, Tuscaloosa, Alabama, to consider among other items the following petition:

DOCKET NO. 11-7-17-03

First Amended Petition by SKLAR EXPLORATION COMPANY L.L.C., a Louisiana limited liability company, authorized to do and doing business in the State of Alabama, requesting that the State Oil and Gas Board of Alabama enter an order approving an exceptional location for the proposed replacement well to be designated the Cedar Creek Land & Timber 35-15 No. 1 Well and drilled to a bottom hole location approximately 340 feet from the West line and 718 feet from the South line of a 160-acre production unit in the Brooklyn Field consisting of the Southeast Quarter of Section 35, Township 4 North, Range 12 East, Conecuh County, Alabama. The well will have a surface location of 201 feet from the South line and 450 feet from the West line of said unit. The bottom-hole location is an exception to the well spacing rules set forth in Rule 3 of the Special Field Rules for the Brooklyn Field,

as heretofore established by the Board in Order No. 2011-78, which requires that such a well be located 660 feet from every exterior boundary of a drainage or production unit. The Cedar Creek Land & Timber 35-10 No. 1 Well, which is currently producing from the said production unit as established by Order No. 2011-78, will be shut-in and designated as a shut-in well prior to any production of the proposed Cedar Creek Land & Timber 35-15 No. 1 Well.

Hearings of the State Oil and Gas Board are public hearings, and members of the public are invited to attend and present their position concerning petitions. Requests to continue or oppose a petition should be received by the Board at least two (2) days prior to the hearing. The public should be aware that a petition may be set for hearing on the first day or second day of the hearing or may be continued to another hearing at a later date. We suggest, therefore, that prior to the hearing, interested parties contact the Board to determine the status of a particular petition. For additional information, you may contact the State Oil and Gas Board, P.O. Box 869999, Tuscaloosa, Alabama 35486-6999, Telephone Number (205) 349-2852, Fax Number (205) 349-2861, or by email at petitions@ogb.state.al.us.
